About Us...

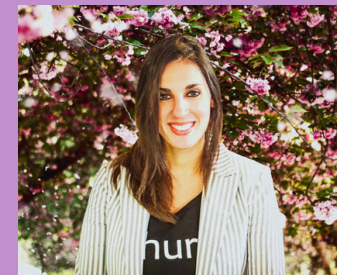

Churn opened its doors October 2015 in
Gibsonia, Pennsylvania. It has since
opened 2 other locations in Glenshaw
(2019) and Southside (2021) PA.

Churn's brand is built on quality product
and good service. Since opening we have
sold more gallons of ice cream and
pounds of coffee than we could have ever
imagined!

Our ice cream is hand crafted daily on
site. We curate a diverse flavor menu that
is ever changing to satisfy your wildest ice
cream dreams--that is what makes
Churn's brand so unique. We love the
challenge of turning odd flavors into
frozen delicacies.

Some of our most original flavors have
been ketchup, strawberry jalapeño,
lavender basil, Cookie Monster, coconut
rose lemon, bacon and French toast.
Some of our most popular flavors are
oreo, kitkat chocolate chip, peanut butter
cookie dough, churn coffee chunk,
banana cream pie, black raspberry, and
the list goes on! We boast over 1000
specialty ice cream flavors.

You get the idea. You name it, we make it.
Let us make all of your ice cream
fantasies come true!

love,
churn
